Owning Expression and Propertizing Speech Freedom of Expression v Copyright before the European Courts

With the trilogy of preliminary references to the Court of Justice in *Funke Medien*, *Pelham* and *Spiegel Online* the German Federal Supreme Court has challenged the balance between copyright and freedom of expression currently reflected in EU copyright law. This conference brings together leading scholars to discuss the potential impact of these judgements in EU copyright law, also in light of the new and controversial Directive on Copyright in the Digital Single Market.
